September 2010

Hello!

It will soon be time to begin our winter storage season. **Please read carefully:**

General information:

1. Reservations will be established when your non-refundable \$50.00 deposit AND proof of insurance on item being stored is received. This fee is per rental space being reserved (i.e.; 1 reservation - \$50.00, 2 reservations - \$100.00, etc.).
2. The amount paid will be deducted from your rental rate when your property is received.
3. Phone reservations will not be accepted.
4. Mail the completed information sheet and your certificate of insurance along with your \$50.00 (check or money order) per unit reservation fee to:
Marion County Fair
P.O. Box 39225
Indianapolis, IN 46239
(Checks should be made payable to Marion County Fair).
5. **Payment is due upon receipt of property with no exceptions.** Final payment of balance due may be made in cash, check, or charge. Credit card payments will be accepted only on the day you deliver your item. A \$5.00 transaction fee will be charged on all credit card payments.
6. **There will not be an acknowledgment** of receipt of your check; however, you may phone the office if you wish to verify your reservation.

Over the last several years our rental areas have filled quickly, and there has been a waiting list. We encourage you to mail your reservation form, deposit, and proof of insurance as soon as possible.

Any property left on the fairgrounds without a signed contract and full payment will remain outside until the contract is signed and payment is made. The Marion County Fair accepts **NO** liability for any property left without authorization on the grounds.

Additional charges:

- ◆ Access to rental space \$25.00 per entry (regular working hours only)
- ◆ Unscheduled removal \$50.00 ***per hour*** to remove property before scheduled time
- ◆ Pre-arranged removal \$50.00 to arrange early pick up

Due to past difficulties, the **Fairgrounds no longer accepts 5th wheels.**

Remember, payment is due when property is dropped off for storage.

Property is measured upon arrival for storage - from trailer hitch to end of motor. Sailboats are measured to longest points. RVs, campers, etc. are measured to longest points.

Insurance is the responsibility of the owner of the property being stored. You must supply us with a copy of your insurance coverage (declaration page) for the item being stored. The Marion County Fair assumes no liability for loss to property.

Your pick-up date is selected when you bring your property in - - not during reservations. You may want to have a 1st and 2nd choice in mind when you come in, just in case your first choice is not available.
